

Clovis Business Community,

Recently the federal government added \$410 billion dollars in funding into various programs to support businesses during the COVID-19 pandemic. The Payroll Protection Program had \$310 billion added to the previous allocation of \$349 billion, which had been exhausted. Below you will find a list of banks that are accepting applications from non-customer applicants for the Payroll Protection Program. As you can understand the banks policies are fluid at this time so it is best check what they are offering at the links provided below. As the banks provide updates we will share that information.

In addition here is a link to the various programs available:

We are always here to answer any questions, feel free to e-mail us or call us at (559)324-2095.

Sincerely,

Andy Haussler  
Community and Economic Development Director  
City of Clovis
